

Positively Pewaukee's 2009 Scarecrow Contest Rules

1. This year's theme is "Presidents". Scarecrows should be outfitted to depict past or current United States Presidents. You must use a wooden frame either produced by Positively Pewaukee or yourself. Frames purchased other years may be used or a new frame may be purchased for \$15. You must pre- register by Monday, October 5, 2009 in order to be eligible for an award.
2. Each scarecrow will be assigned a number and a designated location. You will need to make arrangements to pick up your number from Positively Pewaukee's Office. Do not write your name on the numbers, because we would like to use them again next year. Be sure to display your number in a visible place. If you wish to add your name or group name on a small sign or tag this is ok as long as the signage withstands the elements. Merchants and downtown homeowners will have their scarecrows around their storefront or home. All other participants will be assigned a location.
3. It will be the responsibility of the scarecrow makers to securely fasten the scarecrow into the ground if it is standing, secure it to a post if it is assigned that location or secure it to an object if it is in a sitting position. Consideration needs to be given to the scarecrow and clothing withstanding winds and rain. Please check your scarecrow periodically to make sure items remain in place or have not deteriorated.
4. Please do not use any sharp items or objects of any kind that could present a hazard. Artificial and dried items are encouraged. Items such as wicker, grapevines, leaves, painted pinecones, wooden crates, artificial pumpkins and flowers, straw items, etc. work nicely. Please design the scarecrow with items that will not be missed if they would unfortunately be taken. Positively Pewaukee is not responsible for loss or damage due to vandalism.
5. Your scarecrow should be put out on your assigned location any time between Friday, October 9th and 4:00pm Sunday, October 11th. The judging of the scarecrows will be on the evening of Sunday, October 11th. Ribbons will be hung recognizing 1st, 2nd and 3rd place winners.
6. All scarecrows need to be removed no later than Saturday, November 7th. Please return the assigned number to the PP offices so that we can use them next year.
7. Most of all... **HAVE FUN!** This is a fun- family friendly project for all and it will dress up our downtown as well. Bring your family and friends down to see all the scarecrows.
